The CTZCC has been invited by the RI Air National Guard (RIANG) for the very special 2011 "Centennial of Naval Aviation" Quonset Air Show. "This is definitely a 'Bucket List' event and great fun and education for the whole family", according to Executive Director of ColinsLaw.Org and CTZZ member, Robin Foote. The Saturday Air Show will be the highlight of a fun-filled weekend of Z Car camaraderie, good food & drink and best of all, it will raise funds for ColinsLaw.Org through attendee donations to participate in the invitation-only gala events.

The non-profit organization was founded last year by the Foote family in

honor & memory of their son, Colin, a member of the CTZCC tragically killed last May when a habitual traffic offender ran a red-light and broadsided Colin as he crossed the intersection ¼ mile from his home. ColinsLaw.Org is focused on "making our roads safer for everyone's family and loved ones" through education and advocacy of installation of road intersection safety technology including red-light cameras.

While other Z Car Clubs will be invited to attend, the CTZCC membership will be given a priority for a limited time to sign up first. The weekend events start Friday afternoon with a Z Car rally and display next to Narragansett beach starting at 3 PM. At 5 PM the RIANG performs a "teaser" Beach-Front Air Show. At 6:30 PM there will be a beer & wine reception and at 7:30 the Dinner Buffet will begin.

Saturday morning, all participating Z Cars will travel, in parade formation, to the RIANG Quonset Air Show where Z

cars will be put on display in a secure flight-ramp area to watch and experience one of the best-ever Air Shows. The show will wrap up at about 4 PM with a performance by the U.S. Navy's awesome Blue Angels Flight Demonstration Team. If you are interested and wish to reserve participation in the event with your car, you must return a Participant Registration Form no later than Monday, May 23, 2011. PLEASE NOTE: only 30 Z Cars will be admitted to the Quonset Air Show event on Saturday. Any additional Z Cars are welcome to join us for all Friday events including the Z Car display, Beach Air Show, Cocktail Reception and Dinner. On Saturday morning, any last minute Z Cars may join the cruise parade to the Quonset Air Show along with the pre-registered and reserved Z Cars, park in an "alternate" nearby parking location, then join our Z Car group on the Z car VIP flight-ramp to enjoy the camaraderie and the Air Show.

There is no rain date.
